Fiscal Analysis

ASSUMPTIONS:

Department of Justice

1. The number of duplicate Purple Heart license plates that would be issued for those desiring the new plate design is unknown. Montana statutes would allow the issuance of duplicate license plates at a fee of \$2.00/set (general fund revenue).
2. The redesign and distribution of the new license plates for recipients of the Purple Heart medal will not have a fiscal impact for the Department of Justice Motor Vehicle Division since the motor vehicle application system will use the current programming and coding for these license plates when issued.
3. The distribution of the new plate design to the county treasurers will be accomplished within the proposed present law operating expenditures for the Motor Vehicle Division.

Department of Corrections

4. This bill is not anticipated to have a significant fiscal impact to the MCE License Plate Factory.
